The screenshot shows the InFine Array software interface. The top menu bar includes Main, Master, Accounts, Inventory, Orders, Stock Transfer, SMS, PayRoll, Reports, Settings, Tools, and Help. The Reports menu is currently open, displaying a list of report types with icons and keyboard shortcuts. The main workspace contains a grid of item data with columns for Sino, ItemCode, HSNCODE, ItemName, Barcode, Brand, Category, SalesRate, and PurchaseRate. The data rows are numbered 1 to 17. A toolbar at the top provides quick access to Startup Page, Ledger Reports, and Stock Reports. The right side of the screen features a vertical toolbar with icons for various functions.
